

31068001

Series 68 - High impact IP68 rated diecast enclosures available in natural aluminium and powder coat Silver Grey or black. Manufactured in corrosion resistant aluminium alloy with stainless steel screws, these products are suitable for safely enclosing electronic components, PCB's or E-Mech components (Relays, switches etc) in areas that are generally considered too harsh for other enclosure materials.

SPECIFICATION

Product Type	Universal Enclosures
Number of Holes	0
Base Style	Universal Enclosures
Base Colour	Natural Aluminium
Lid Colour	Natural Aluminium
Enclosure Material	Aluminium Alloy ENAC-GdAlSi12(Fe)
IP Rating	68
Colour	Natural Aluminium
Min Temperature °C	-60
Max Temperature °C	200
Height (mm)	45
Width (mm)	50
Depth (mm)	30
Comments	Colour is natural aluminium finish
