

Accessories

Range: PCB Terminal Blocks, Connectors and Fuse Holders

Order Code: 5365/2/21

DESCRIPTION

PCB fuse holder base for 5x20mm cylindrical fuse

PCB TERMINAL BLOCKS, CONNECTORS AND FUSE HOLDERS FEATURES

- 2 pin through board fitting
- UL94 V0 material
- Small footprint
- RoHS compliant

Subject to technical modification without notice.

Typographical and other errors do not justify claim for damages.

SPECIFICATION

| | |
|----------------------------------|-----------------|
| Connection Method | Solder |
| Mounting Type | Through hole |
| Orientation | Vertical |
| Pitch (mm) | 17.8 |
| Solder Pin Length (mm) | 5 |
| PCB Hole Diameter (mm) | 1.2-1.5 |
| Suitable for Through Hole | yes |
| Body Material | Nylon PA66-RVAE |
| Max Temperature Rating °C | 120 |
