### SAVE TIME & MONEY

Debox S is a cost-effective, innovative cable junction box that has been designed to save you both time and money on every installation.

### SUPPLIED WITH TERMINAL BLOCK

4-pole 24A UL/VDE approved terminal block included as standard - conforms to EN 60598-1 (GWT 650°C).

### QUICK & EASY INSTALLATION

The Debox S comes complete with everything you need in one kit for quick and easy installation.

### IN-BUILT CABLE CLAMPS

Perfect for securing flat or round cable, no screws are required! Compliant to EN 60670-22 (Pull Test), the Debox S gives you peace of mind that every installation is compliant.

### EXTERNAL FIXING LUGS

Pre-fitted with external fixing lugs, the Debox S can be quickly and easily mounted.
